Welcome to the British Football Academy (BFA)

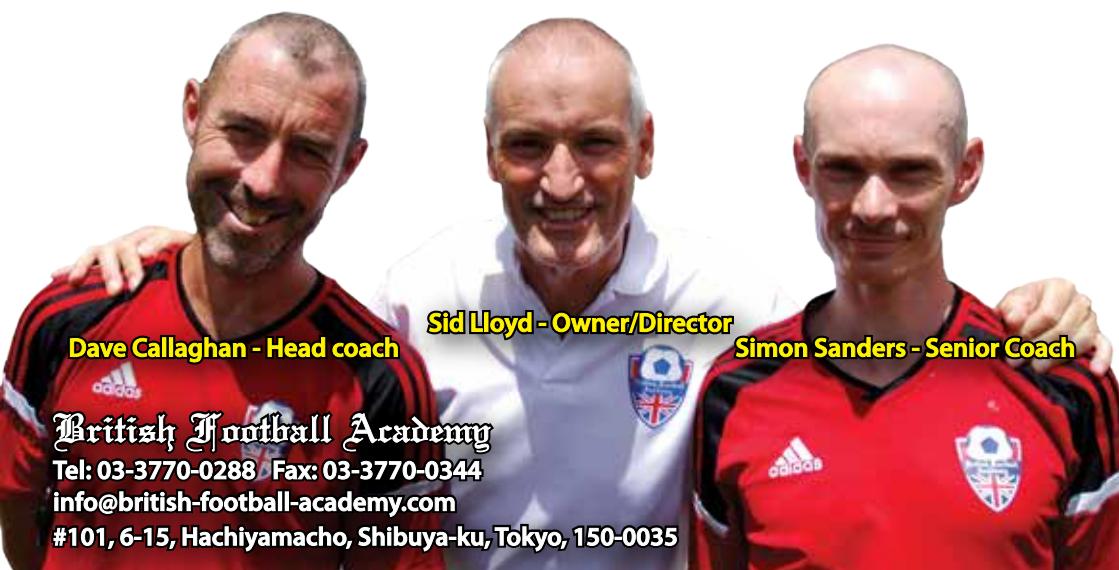

We very much hope that your time with us will be a happy and memorable one for you and your family. This guide will give you a little more information about us and aid you in registering your child as a British Football Academy member. Please take a few minutes to fully read through it. We hope that it will serve as a useful handbook that will answer any questions you may have concerning our policies and sessions.

The overriding principle of the academy is to provide children of all nationalities, backgrounds, ages and abilities the opportunity to enjoy the world's most popular sport in a safe, caring and fun environment. Everyone at BFA has a deep passion for the game. It has provided us all with many cherished memories stretching back to our childhoods. It is our wish that during your child's time with us he or she will have experiences that they too will be able to cherish for a lifetime.

Thank you for choosing the British Football Academy. We hope that your child will get as much enjoyment from their football as we do providing it.

Registration

HOW TO REGISTER YOUR CHILD

Step 1: Email British Football Academy office; (education.ops@footyjapan.com)

You can register your child to become a member the week following their trial session(s) providing there's a space available in the class. Please contact our office by email and let us know when you wish your child to join BFA.

Note: You may register your child at more than 1 venue in which case you will be charged the monthly fee x number of venues. However your child can only attend the classes he/she is registered for (i.e. cannot come to another venue if he/she can't attend his/her regular session).

Step 2: Fill out the forms

Please thoroughly read this Member's Guide, and complete the 'Customer Registration & Agreement' form and the application for the 'Automatic (direct) Debiting System'. Please write your child's name on the envelope and enclose both forms.

Make sure to register the email address you most frequently check, as all our communication is email based.

Note 1: In cases where more than 1 child from a family are registering, you need only submit one application(2 forms) per family.

Please make sure to put your signature on the registration form, and that there are no mistakes in filling out the form for the automatic (direct) debiting system. If filled out incorrectly, you will need to visit your bank by yourself to submit and complete the application.

Note 2: The application form for the automatic (direct) debiting system is not applicable for YC&AC members, as they will be charged via their regular YC&AC monthly bill.

Step 3: Initial Fee Payment

We will provide you with the billing information via email upon our receipt of your email requesting to join BFA.

Please resolve the initial payment = Annual Membership Fee + Monthly Fee for the first 2 months, as per billing information.

Note: For more information about the Fee payment, please refer to the 'Payment' page of this guide (page 6).

Step 4: Submit the forms on the 1st day

Please submit the envelope with both forms to one of our coaches on-site on the day you join.

They will provide you with your child's official BFA adidas uniform (shirt, shorts and socks) and BFA member card.

Note: Please provide your child with shin pads and suitable footwear.

(See footware chart on page 9).

Scheduling

The BFA calendar year is from the end August/beginning September to July and there are 44 sessions. The latest BFA session calendar is always available for download from our website at: www.british-football-academy.com/

Very occasionally the venues we use host their own events, which may require us to alter our schedules slightly. In such cases we will inform you both on-site and via email - your understanding here is truly appreciated.

In cases of inclement weather, we use the gymnasiums when/where they are available to us. Please refer to the rain protocol for each venue on our website, also by 'liking' our facebook page you will quickly receive updates about weather cancellations & more.

Please note that in cases where a member is absent from their session or a session is cancelled by the location due to extenuating circumstances, it is impossible for us to provide refunds or adjustment to your future fees.

Also, we cannot offer make up sessions on other days/locations for sessions you are absent for personal reasons.

EXTENDED ABSENCE & CANCELLATION OF MEMBERSHIP

In the event a BFA member will be absent from regular sessions for a period of more than 1-month, you can pay a monthly retainer of 2,000 yen instead of the monthly session fee.

If you wish to take advantage of the retainer system (to ensure your child's place is kept open) or wish to cancel your child's membership, please contact us by email before the 10th of the month.

Upon our confirmation email, your child will be on retainer for the next month, or your child's membership will be terminated as of the end of that month.

For notice given after the 11th of the month, your membership will be terminated as of the end of following month, and we will not be able to put you on the retainer for the next month.

e.g. Notify us before June 10th, we will terminate your membership as of the end June, or for extended absence we will put your child on retainer for the month of July.

e.g. Notify us after June 11th, we will terminate your membership as of the end July, or we will not be able to put you on retainer for July.

Payment

There are 44-sessions per BFA-calendar year, therefore, your account will be debited monthly (11-times) for the period from September to July.

In principle, the payment method is to wire the initial fees then your account will be debited monthly. Please kindly make sure to have enough funds ready for the automatic debiting.

In case we are unable to debit the monthly fee from your bank account due to lack of balance, we will notify you via email and carry over the amount to the following month.

We may ask you to please wire the fee to our bank account in case the fee is for December/March or July (end of term).

Note: If we are unable to debit the fee for 2 months in a row, we may be forced to terminate your child's membership and ask you to please wire the outstanding dues to our bank account.

YC&AC members will be charged along with their regular YC&AC monthly bill.

The Annual Membership Fee will automatically be debited in the month the member joined.

There will NOT be any advance notice from BFA for the Annual Membership Renewal.

Note: With the renewal, your child's official BFA adidas uniform will also be renewed.

Please talk to the coach on-site to receive a new set of uniform in the renewal month.

We ask/advise you to inform us, before the 10th of the month, of any of the following:

changing days of participation, extended period of absence (of more than one month), or cancellation of membership.

Note: The system does not allow for refunds or adjustments to the fees deducted in the event that notice was given after the 11th of the month.

If it is impossible for you to set up the automatic debiting system (e.g. no bank account in Japan), please contact the BFA office.

For payment in cash or bank transfer, we will be billing you via email as below:

September to December fees: Billing in August, Payment to be made by the end of August

January to March fees: Billing in December, Payment to be made by the end of December

April to July fees: Billing in March, Payment to be made by the end of March

In case of long term absence and/or termination of membership before July, there are no refunds or adjustments to the fees already resolved.

Note: Tardiness of payment

If the fee payment has not been done by the due date, we will hand out a reminder letter to your child at the first session of the term/season. Please resolve the fees within a week upon your receipt of the letter. If the fees for the term/season are not resolved after the 1st session of the term/season, we may be forced to terminate your child's membership.

Note: Adjustment for class change & event participation

In case of long term absence and/or termination of membership within the term, there are no refunds or adjustment to the fees already resolved.

If your child moves up the class which can affect the monthly fee amount, the adjustment will be made and we will issue another bill for the balance. Please make the payment by the due date stated in the bill.

As for the event participation such as INTERLiga, please make a cash payment on site on the day.

Regulations

CONDUCT

- 1) Parents/Guardians will ensure that their child is suitably attired for attending the coaching session, including warm and water proof clothing should the forecast be for cold or wet weather. It is recommended that BFA members wear the official BFA uniforms when attending the Academy as this ensures quick recognition in the unlikely event of an emergency, such as a fire or an earthquake. The uniform can be worn over a tracksuit or sweater if it is a cold day. It is mandatory for all BFA member children to wear shin pads during all BFA coaching sessions and for all accessories and watches to be taken off.
- 2) Parents/Guardians will ensure the punctual arrival and departure of their child.
- 3) Parents/Guardians are responsible for the safety and well-being of their child during the time prior to the start of their child's session and the time immediately after the session has ended.
- 4) Parents/Guardians will ensure all fees are paid in a timely manner.
- 5) Disciplinary measures are expected to be taken by the Parents/Guardians in the event that the participating member's behaviour affects the ability of the coach to safely conduct his/her coaching session, or is deemed a danger or threat to other participants. In cases of persistent disciplinary issues, the British Football Academy will expel the offending child from the Academy.
- 6) Parents/ Guardians are asked to positively support their child's football education and encouragement from the sidelines is welcomed, however over-coaching or scolding children (their own or otherwise) will not be tolerated and offending parents will be asked to discontinue such behaviour if deemed necessary by a senior member of the BFA coaching staff.
